During February 2026, the platform received **15** application(s). Of these, **9** were approved (60.0% approval rate), **6** were rejected, and **0** remain under review.

Application Status Breakdown

Status	Count	% of Total
Submitted	15	100%
Approved	9	60.0%
Rejected	6	40.0%
Under Review	0	0.0%
Draft	0	0.0%

Processing Time Analysis

Metric	Value
Average	8.0 days
Fastest	8.0 days
Slowest	8.0 days
Applications with decision	15

3. Budget Allocation

The combined total budget across all grant programs managed by Riverside City Council Council is **\$245,000.00**. During the reporting period, **\$165,000.00** was approved for disbursement, representing **67.3%** of the combined budget.

Budget Metric	Amount (AUD)
Total Combined Budget	\$245,000.00
Total Requested (Period)	\$291,000.00
Total Approved (Period)	\$165,000.00
Remaining (Unallocated)	\$80,000.00

4. Community Engagement

Community participation is a core feature of the GrantThrive platform. Across all grant programs, the community has cast a total of **8** vote(s), covering **8** application(s). The average community rating is **2.62** out of 5.

Engagement Metric	Value
Total Community Votes	8
Applications with Votes	8
Average Community Rating	2.62 / 5.00
Active Voting Sessions	2

5. Cost Savings & Efficiency

By processing grant applications through the GrantThrive digital platform rather than traditional paper-based workflows, Riverside City Council Council achieved an estimated cost saving of **\$1,087.50** during this reporting period (85.3% reduction). This is calculated against an industry benchmark of **\$85.00** per application for manual processing, compared with the platform's estimated cost of **\$12.50** per application.

Cost Metric	Amount (AUD)
Applications Processed	15
Estimated Manual Cost	\$1,275.00
Estimated Platform Cost	\$187.50
Estimated Saving	\$1,087.50
Saving Percentage	85.3%

Note: Cost benchmarks are based on published local government grant administration research. Actual savings may vary depending on council size and workflow complexity.

6. Review & Assessment Activity

During the reporting period, **6** review(s) were initiated, of which **6** were completed (completion rate: **100.0%**).

Review Metric	Value
Reviews Initiated	6
Reviews Completed	6
Completion Rate	100.0%
